

RIVER WILD

SR. SITEWORK ESTIMATOR

About Us

RiverWILD Construction, LLC is a locally owned and operated investment and leadership company that impacts and develops people, the community, and our family of brands. We maximize our experience in real estate, construction, agriculture, and retail to offer products and a business relationship worth investing in.

Job Overview

We are looking for a full-time Sr. Sitework Estimator that will contribute to the success of our projects by helping lead the planning of a construction project before the building begins. This role will estimate costs of civil construction, as well as participate in design evaluations, value engineering and analysis, constructability reviews, and more.

Job Responsibilities

- Embrace and lead with the Core Values of our company
- Estimate sitework or utility-specific projects for customers throughout the central NC area
- Contact Subcontractors to solicit quotes and compile them in a timely manner
- Collaborate with superintendents and supervisors on pre-bid meetings to ensure the project estimate is planned correctly
- Provide input on overall company planning and project issues that occur
- Review and evaluate requests and/or revision for estimates, looking for completeness and accuracy
- Review construction documents and understand the scope of work to bid
- Execute take-offs of construction documents
- Input take-offs data into pricing software
- Utilize the company approved costing methodology, data, and systems to present estimate results in a detailed breakdown format suitable for use by the project manager and the project team
- Attend customer pre-bid meetings and job showing, visit job sites, and keep a record of all verbal information disseminated by the customer during the pre-bid meeting and job showing
- Explain details behind each estimate, including the basis of the man-hours allocated for each task, personnel resources needed to execute each task, etc
- Maintain cost estimating tools, including databases, spreadsheets, and other computer-based applications to keep updated information on past performance and industry standards
- Assist Managers on alternative project execution approaches based on the scope of work and the most cost-effective execution methods available
- Work directly with business development to ensure we are bidding projects best suited for our company.

Qualifications

- At least 5 years of estimating experience
- Ability to navigate specifications and plans
- Proficiency in demonstrating proposals and projects
- Proficiency with Agtek or similar take-off software
- Ability to understand geotechnical reports and bore logs for the purpose of quantifying rock and unsuitable soils.
- Proficiency with Bid2Win, HCSS, or similar pricing database software
- Strong written and verbal communication skills

Why Work For Us?
